NOTICE is hereby given that any person who has grounds of opposition to the registration of any of the trademarks advertised in the schedule hereto may, within three months from the date of this notice, lodge opposition on form 12 in duplicate together with the prescribed fees.

Formal opposition should not be lodged until after reasonable notice has been given in writing to the applicant so as to afford him an opportunity of withdrawing his application before the expense of preparing an opposition is incurred. Failure to give such notice will be taken into account in considering any application by an opponent for an order for costs if the opposition is uncontested by the applicant.

Reproduction of the marks quoted below may be inspected at the Trademarks Registry, Plot 54358, Block A, Prime Plaza, CBD, Gaborone, Botswana.

(54) Title: CRUSHING DEVICE	
(57) Abstract	Disclosed is a deflection distributor refitting kit for a roller crusher. According to the disclosure the deflection distributor refitting kit comprises a deflection distributing shaft, thrust rods each having first and second ends and mounts for attachment of the deflection distributing shaft at a frame of the roller crusher, wherein a first end of each of said thrust rods is attached to the deflection distributing shaft via a lever, and wherein a second end of each of the thrust rods is arranged to be attached to a movable bearing housing of the roller crusher. Also disclosed is a method for mounting the deflection distributor refitting kit, as well as a roller crusher comprising a deflection distributor.

(54) Title: INTER FINANCIAL INSTITUTIONAL MOBILE MONEY SWAP	
(57) Abstract	A method of converting mobile money transaction of one financial institution to that another institution in order to cash out from a money vendor e.g., Automatic Teller Machine (ATM) of the other financial institution and a method of sending the sent mobile money into the Receiver's account (of the same or different financial institution as the Sender's). A Sender sends mobile money to the Receiver through a 3 rd party (agent), the receiver then requests for mobile money convert together with the preferable financial institution. Mobile money of the initial transaction is reversed into the 3 rd party account (agent), from then a new mobile money transaction is automatically created and a notification is sent to the Receiver to cash it out in a different ATM or money vendor or a money vendor belonging to a different financial institution. The Receiver can also opt to send it into their own personal bank account.
